A History Of Private Law

The creation of private law dates back to ancient Rome. However, whether private law is rather a branch of law with more modern origins, is still under discussion. In Rome, despite these thoughts, legal cases were resolved with foreign natural elements.

Private law | What is, about, characteristics, history ...

Private law is that part of a civil law legal system which is part of the jus commune that involves relationships between individuals, such as the law of contracts and torts (as it is called in the common law), and the law of obligations (as it is called in civil legal systems). It is to be distinguished from public law, which deals with relationships between both natural and artificial persons ...

Law - Wikipedia

This book is a large-scale historical reconstruction of liberal legalism, from its inception in the mid-nineteenth century, the moment in which the jurists forged the alliance between political liberalism and legal expertise embodied in classical private law doctrine, to the contemporary anxiety about the possibility of both a liberal solution to the problem of political justification and of law as a respectable form of expert knowledge.
