BIOLOGY STARR STUDY GUIDE

This study guide was devised to enable students to review the basic biological concepts that they may need in preparing for the Biology Exit Assessment. It is not intended to be a comprehensive course in biology. The study of biology as in all sciences contains investigations and activities that are integral parts of the courses.

Biology Study Guide

Fast Biology Study Guide There's an awful lot of information covered by the exam. Possibly you've already learned a lot of the material in high school, but you'll want to be reasonably thorough on the review because not only is "life" a pretty broad study topic, there's a fair bit of detail expected.
