Summary: Montsho, a young African American child, believes that everything that is black is bad, because that's how the world seems. When you go to funerals you wear black, when two people are fighting the evil one is always black, then things burn they turn black, and much more.

Grandpa, Is Everything Black Bad? by Sandy Lynne Holman

You'll probably enjoy Everything Bad Is Good For You if you like thinking about the benefits of popular culture, technology, or other works by Johnson. For further reading about the what skills matter - soft or hard - Tyler Cowen's Average is Over is a good place to see what an economist thinks the future may require.

Book Review: Everything Bad is Good for You

Since folio books tend to be larger and the text blocks can be quite heavy, the weight of the text block can cause it to separate from the spine if they are stored in the upright position. If need be, you can stack the books horizontally on top of each other in a rough pyramid shape, but be sure to not stack them too high, as all of that weight ...
