Dinotopia The World Beneath

The Monument Caverns. The World Beneath was a vast network of caverns beneath the Dinotopia, the World Beneath was where the dinosaurs sought refuge long ago in order to survive the cataclysm that ended dinosaur life on the rest of the planet elsewhere. Many years later, after the techno-island-city of Posiedos was swallowed up by the sea, the survivors fled in a fleet of strutters and colonized the World Beneath, making technology-based colonies.
