"Give Us the Ballot" is a monumentally critical book for all Americans, not only in light of the 2016 election, but really to understand that the bedrock of democracy, the right to vote, has been under assault. This certainly isn't a new story since it goes back to our founding when essentially only white landowning men could vote.

“Give Us the Ballot” is an engrossing narrative history rather than constitutional analysis. Berman does not explore why justices who are devoted to the original understanding of the Constitution have repeatedly voted to narrow the scope of the Voting Rights Act with the argument that the equal protection clause of the 14th Amendment is
