Project MUSE - Historiography in the Twentieth Century

It only directly addresses 20th century historiography, but the influences from the 19th century and earlier are addressed within this context. While it might be helpful to have some previous exposure to the historiography beforehand in order to get the most of it, I found it to be thoroughly enjoyable.

Historiography in the Twentieth Century: From Scientific ...

In this context, it is difficult to conceptualize twentieth-century historiography as a coherent subject of study. Even more so, if we take into account the spread of historiography, history and memory wars around the globe. Historiography has been transplanted everywhere through colonialism and/or anti-colonialism.

Nationalism drove both history and historiography, and for the first half of the 20th century, the pride of a nation's achievements were often expounded by historical scholars. World War I postcard...

Trends in 20th Century Historiography | Study.com

The 20th century began without planes, televisions, and of course, computers. These inventions radically transformed the lives of people around the globe, with many changes originating in the United States.

Decade-by-Decade Timeline of the 20th Century

The earliest histories were mostly stories of disasters—floods, famines, and plagues—or of wars, including the statesmen and generals who figured in them. In the 20th century, however, historians shifted their focus from statesmen and generals to ordinary workers and soldiers.

Historiography | Definition, History, Branches ...

20th-century historiography in major countries is characterized by a move to universities and academic research centers. Popular history continued to be written by self-educated amateurs, but scholarly history increasingly became the province of PhD's trained in research seminars at a university.

Historiography - Wikipedia

Beginning with *The German Conception of History* (1968), a study of nineteenth-century German historicism which has now gone through several editions and become a classic, he moved on to chronicling the breakdown of German historicism and the ending of its international influence in the twentieth century under the impact of what he called *New Directions in European Historiography*, published in 1975.

Review of Historiography in the twentieth century | Georg ...

The Blue Marble, Earth as seen from Apollo 17 in December 1972. The second half of the 20th century saw humanity's first space exploration. The 20th (twentieth) century was a century that began on January 1, 1901 and ended on December 31, 2000. It was the tenth and final century of the 2nd millennium.

20th century - Wikipedia

Moving out of the days of the Wild West, the 20th century in United States history moved beyond a gunfighter, mining, homesteading, and outlaw mentality to becoming an industrialized nation and onwards to a world superpower.
