Dissection Guide For Human Anatomy

- 2 - This dissection guide was designed as an aid to human cadaver dissection by first year medical students. The four fundamental tools of learning gross human anatomy (the cadaver, a dissection guide, a textbook, and an atlas) are amplified in their relevance by the use of additional resources now widely available.

Dissection Guide 509 - Loyola University Chicago

A visual guide to human dissection Medical school at Jefferson Medical College begins with a 12-week course titled "Human Form and Development," which consists of Human Anatomy and Embryology lectures and Human Anatomy lab.

A visual guide to human dissection | Multimedia Teaching ...

Welcome to the human anatomy laboratory that accompanies the lecture in Biology 2325 - Human Anatomy. This lab provides you with a rare opportu- nity to explore anatomy using dissected human cadavers. Exploring cadavers is the true approach to learning anatomy, that is, experiencing anatomy in its three-dimensional reality.
