However, InFamous 2 really doesn't require a guide. It is pretty straight forward. All you have to do is hit "L3" on the controller to locate shards; karma is a no-brainer to figure out, and each quest comes with its own instructions. The only thing I ended up using the guide for is to get strategy tips on taking on big bosses, that's about it.

Vertical poles are new in inFAMOUS 2, and are basically power lines that run up the sides of buildings. Like power lines, they are marked with two glowing yellow lights. You will most likely get this trophy through natural progression of the story, but if you want to get it out of the way as soon as possible, you can grind this trophy by jumping onto the same launch pole over and over again.
