As such through misogynist crusades they have attempted to eradicate the world of any women who did not meet the criteria that society dictates. Women who were outspoken and passionate were ...

Mad, Bad or Sad? The Historical Persecution of Women and ...

Drawing upon the existing literature which recognises the labelling of filicidal women as 'bad', 'mad' or 'sad' [see for example, 22, 23, 25, 35], I take this further by exploring how these dominant narrative identities emerge in the macro-narratives of sentencing remarks, and case law, as well as critically engaging with the consequences of such narrative typifications and identity constructions. More specifically, I argue that in cases involving filicidal women, judicial and ...

Bad, Mad or Sad? Legal Language, Narratives, and Identity ...

Lisa Appignanesi takes the reader through two hundred years of mad, bad and sad women and she is an expert guide. She also analyzes the "mind doctors" who treated them, including Freud and Lacan. Among the many fascinating accounts related in the book is that of Mary Lamb, the sister of Charles, who murdered her mother with a kitchen knife.

Mad, Bad, and Sad : A History of Women and the Mind Doctors, Paperback by Appignanesi, Lisa, ISBN 0393335437, ISBN-13 9780393335439, Brand New, Free shipping in the US An intellectual history of the relationship between women and mental illness throughout the two past centuries examines the disorders of famous women, traces the evolution of psychotherapy as it pertains to the female gender, and considers the influence of trendy illnesses and treatments.

Mad, Bad and Sad : A History of Women and the Mind Doctors ...

The simplest view of mental disorder divides it in three: "mad, sad or bad". The mad have psychoses that disable. Fortunately, only a few go mad. Many more suffer. Here belong the depressed, the anxious and the obsessive, in most cases enduring the sad interludes that net everybody in a lifetime. The bad make others suffer.
