Somerset OBGYN Associates of Bridgewater - Axia Women's Health

7 reviews of Clifton OB GYN "The nurses and doctors here are great! Super friendly and they take their time with you. I had a concern that I didn't bring up when making my appointment but they took care of it right away. The wait time is a littler more than usual when it's packed. On good days you wait about 20-30 minutes. On busy days you may wait up to an hour.
