Amazon.com: The Elder Scrolls IV: Oblivion - Xbox 360 5th ...

Rated 5 out of 5 by Assassin567 from AWESOME AND ADDICTING this game is one of the best RPG's ever. Its gameplay and graphics are okay but everything else. Every time i put the game in my xbox 360, i just want to explore everything and just loot a lot of objects . all locations have different views and a story behind it and you need to go to a different location to even know about it.
