The Oxford Handbook Of Human

Motivation is that which moves us to action. Human motivation is thus a complex issue, as people are moved to action by both their evolved natures and by myriad familial, social, and cultural influences. The Oxford Handbook of Human Motivation aims to capture the current state-of-the-art in this fast developing field. The book includes theoretical overviews from some of the best-known thinkers in this area, including articles on Social Learning Theory, Control Theory, Self-determination ...
