Theories And Approaches In English

Theories on Language Acquisition. Here are some theories on how language is acquired. Behaviorist Perspective: All learning, verbal and non-verbal, takes place through habits. Positive reinforcement and repetition help with forming the habit. First, imitation of the language occurs, followed by the learner repeating what is heard.

From Theory to Practice for Teachers of English Learners

One of the popular reading theories is the whole-language theory. This approach suggests that if students are immersed in words, books and language-rich environments, they will naturally make meanings of words and learn to read. This theory does not utilize specific and direct literacy instruction. Whole language is a top-down theory of reading.
