Thrown To Wolves Wolf Mountain 47548 - modapktown.com

Wolves were so successful in their return that they were removed from federal protection and management handed over to all effected states. Initially each state was told that they only needed to bear a small burden and a token number of wolves. But wolves can't count. The initial 30 pack quota was surpassed by 500%.

Thrown to the Wolves - article by Bob Speirs

Thrown to the Wolves follows Oliver and Cooper to the Park family homestead for his grandfather's funeral. There the couple is faced with all sorts of stressors including family power struggles, the pack's acceptance of Cooper, a potential hunter threatening their family land, and loads of secrets being revealed.
