### **Understanding Social Problems 8th edition | Rent ...**

Mooney, Knox, and Schacht's UNDERSTANDING SOCIAL PROBLEMS uses a theoretically balanced, student-centered approach to provide a comprehensive exploration of social problems. The text progresses from a micro- to macro-level of analysis, focusing first on such problems as illness and health care, drugs and alcohol, and family problems, and then broadening to the larger issues of poverty and inequality, population growth, aging, environmental problems, and conflict around the world.

Sociology is the scientific study of society — of people interacting in groups, from small social circles to global society. Sociologists gather information about the social world and systematically analyze that information to understand social phenomena including class, race, gender, culture, social networks, and historical change. Many sociologists are academics — trying to understand ...
