### Nissan ZD30 electric fuel pump modify (part3)

The ZD30 have a VP-44 fuel system, which feature an electronically-controlled traditional-style fuel pump. With the electronic control, there is finer tuning of engine timing throughout the rev range, and ultimately these pumps simply wear out. The main failure is the fact the engine can no longer reach full advance.

### The Fix For Nissan Navara D22 ZD30 ... - Baileys Diesel Group

Incorrect fuel injection pump timing leads to reduced performance of the engine and can cause engine misfiring or other less obvious symptoms. It also causes over-consumption of fuel, excessive smoke production, loss of power and problems starting the engine as well. The extent of the problem will also depend on how far off is the timing, i.e. if the timing is only slightly off, there may be ...
